

Each year we have a group of young men who have served on our Service Patrol providing irreplaceable support and service for our Pow Wow event. Although these young men work extremely hard and long hours, most of them come back year after year wanting to serve again. We are asking Senior Commanders to ask your older boys if any of them would like to be on the Service Patrol this year. Qualifiers are as follows:

- GMA recipients
- SMA recipients
- Former Service Patrol members
- BMA recipients

Requirements for being on the SP are as follows:

- Report to RORC campground by 5 pm on Thursday May18th. *
- Physically able to dig, sweep, clean, work outside in hot weather, and follow directions.
- Remain following camp dismissal for approximately 1 hour for final clean-up. **

* Questions on this should be directed to John Campbell at John@scdrr.org.

** In the past Outposts have pitched in to help with this, and the time requirement is lessened.

What the young man receives:

- Staff T-shirt
- Gets to sleep in air-conditioned cabin
- Special recognition for serving at Pow Wow
- Fun day event for SP members later in the summer

Applications for Service Patrol will be on the Website in a couple of weeks and must be returned by the Pow Wow registration due date – April 21, 2017.
